

CRAFT BEAUTIFUL PRODUCTS WITH OUR AMAZING TEAM

PRODUCT / EXPERIENCE DESIGNER

INTERNSHIP

Internships are dull. Right? You just get the rubbish nobody wants to do and you never see the senior guys. Totally uninspiring and definitely not helpful in getting you an awesome foot on the ladder. **Well, not at Seatfrog.**

Have you ever tried to upgrade, but found the experience elusive, confusing and like it was built in the 90's? We couldn't agree more. Which is exactly why Seatfrog is making the world of upgrading an amazing experience and a joy to use for travellers all over the globe.

Seatfrog is an exciting place to work. We're backed and advised by some of the smartest and brightest minds in travel from all over the globe. We've assembled a team of leaders who are some of the world's best strategists, designers, technologists and data scientists and we all love coming to work because we only hire nice, smart and energetic people.

SO, THIS AMAZING JOB WE'VE BEEN TALKING ABOUT...

We're looking for an aspiring product/experience designer looking to accelerate their growth. You may be studying design or you're teaching yourself but you have a portfolio that clearly reflects your passion for pixels. You have the drive to push the bounds of product design creatively with and understanding of how to balance this with usability.

What we expect from you

- A passion for travel and flying
- You're highly proactive with strong opinions and are not afraid to contribute ideas to a discussion
- A love for apps and beautiful useable products.
- A keen problem solver, you love to find the solution for your self but you're not afraid to ask questions.
- Desire to push yourself and abilities to continually grow as a designer and person

Your skills

- Experience with Adobe Creative Suite, Sketch or Invision
- Impeccable visual design/communication skills
- A confident clear communicator with an eye for detail
- An interest in user experience and innate sense of curiosity for life
- Background in design visual communication
