BUILD BEAUTIFUL PRODUCTS WITH OUR AMAZING TEAM
TECHNICAL PROJECT MANAGER
FULL TIME / SALARY + EQUITY

Have you ever tried to upgrade, but found the experience elusive, confusing and like it was built in the 90's? We couldn't agree more. Which is exactly why Seatfrog is making the world of upgrading an amazing experience and a joy to use for travellers all over the globe.

Seatfrog is an exciting place to work. We're backed and advised by some of the smartest and brightest minds in travel from all over the globe. We've assembled a team of leaders who are some of the world's best strategists, designers, technologists and data scientists, and we all love coming to work because we only hire nice, smart and energetic people.

At Seatfrog we make sure you have an environment where you can do amazing work and pursue your dreams. This is a culture with substance. One not just built on free beers and parties, but one where collaboration, growth, beautiful design, outstanding results and success are massively encouraged. You can read about us in the press here.

SO, THIS AMAZING JOB WE'VE BEEN TALKING ABOUT…
We're looking for an experienced Technical Project Manager who has a solid understanding of mobile and web project delivery. You'll be managing projects across our mobile apps, websites, data dashboards and client implementation programmes.

What we expect from you
○ Exceptional attention to detail and passion for project delivery
○ Move quickly, work smart and collaborate on finding the best ideas
○ Ownership of delivery from project conception to go-live and post-live support
○ Work proactively to suggest improvements across the business
○ A love of travelling is a big, big bonus

Your skills
○ Strong leadership, collaboration and team building skills
○ Experience in agile project delivery, managing multiple project streams (UX, UI, Development, Testing and Deployment)
○ Develop and manage the scope of work for projects, project budgets and timelines
○ A strong technical background and solid technical understanding of mobile and web technologies
○ Excellent verbal and written communication and presentation skills

If this sounds like your perfect gig email us today at careers@seatfrog.com

In your email, we'd love to hear the topline about you, the achievements that you're proud of and examples of your work. But most importantly, why do you want to work with us at Seatfrog?

Amazing careers with the Seatfrog team.
